Tiger Talkin'

Here at WGHS there are great feelings of pride and spirit reflecting tradition of the school and community. We take pride in all our activities be they scholastic, organizations, or sports related. The students at WGHS show school spirit in the way they support each other in the classroom and in competitive areas. As we look back at our past year and ahead to future years, our pride and spirit in our school and community will help to mold us into the responsible citizens of today and tomorrow.

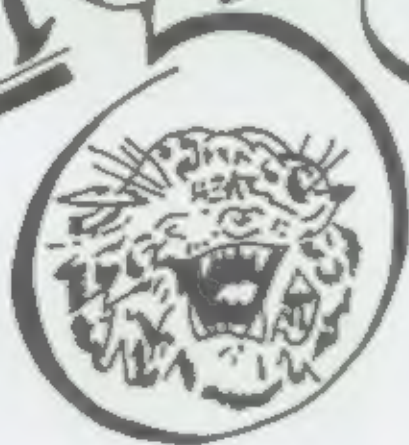

With Love & Appreciation for all the years of service to the many students of Wayne-Goshen Schools, we dedicate this edition of Reflections to Mrs. Joretta Waitman.

Mrs. Joretta Waitman began her association with Waynesfield-Goshen Schools as a fourth grade teacher in 1961. After spending several years in that position she moved to the junior high level in 1964. While still teaching she was given the position of head teacher and then went on to be appointed as the elementary principal, a position she has held until her retirement this past summer. Being busy with her classroom duties, a wife, a mother, a grandmother and a member of her church and community, Mrs. Waitman has not neglected her own education. She received her B.S. in Education in June 1966 from Ohio Northern University in Ada, Oh., her Masters Degree in Education in August 1971 from Ball State University in Muncie, In., and has taken additional classes through the University of Dayton and Wright State University. Mrs. Waitman has been a guiding hand for all at one time or another. We wish her happiness with her retirement in the years to come. Her smiling face will be missed in the halls of Wayne-Goshen Schools.

Many years of hard work have brought us to this time in our lives. As we look back over the years we have many memories of the thousands of teachers and activities we participated in. As young people we often thought that school would last forever and ever but suddenly we were faced with the fact that graduation was just around the corner. What were we going to do with our lives, in what field would we get important positions or use such as our talents in projects which we had spent so much time for as students. We have passed the years of our life to move forward and we begin to realize that our common ties and unity

Work Evaluation Program

Six students were involved in a Work Evaluation Program at the Ohio Hi Point Joint Vocational School for 4 days during February, 1986. The students were assigned various work duties simulating actual jobs such as plumbing, assembly line, construction, small engine repair, clerical and sales to name a few. The Students were evaluated on performance, interest and work behaviors to determine their future employability. These work days were designed to assist the students in planning and preparing for their future careers.

FHA PARTICIPATES

The FHA — a group of young ladies learning to do for others & themselves. This year the group was busy with their many activities such as raising money for the Children's Hospital by rocking in the Rock-a-thon, observing FHA Week by selling flowers for Valentines Day & preparing the Annual Faculty Breakfast. Freshmen & Sophomore girls have become active in the chapter with 22 new members initiated, one of the largest groups in past years. The chapter was honored to have Michelle King selected as District Pres. which involved the girls in various activities outside their local chapter. Also honored this year by holding a County Chapter office is Amy Young

STUDENT COUNCIL

As the Student Council found out planning all the Homecoming activities was only the start of a very busy year. Some of the other activities the Council sponsored included the coat check, Sr. Shirts, the poetry contest, baby picture contest, planting the tree in front of the school, paper and pencil supply machines, & the \$100.00 scholarship to a senior. The highlights of the year were the assemblies. The 1st assembly, which brought in many products for the local pantry, featured a Karate & Weapons demonstration. The elementary students saw the Kids on the Block puppet show on disabilities. The feature of the year was speaker OSU Coach Earle Bruce. Members are Row 1: Holly Buckmaster, Karly Valenti, Mike Crider, Travis Horn, Kim Dettrow, Tim Buffenbarger. Row 2: Annette Gross, Brian Donnelly, Kraig Buffenbarger-V. HOMECOMING — a tradition of school spirit, excitement, fun, activities, football and dancing. Every year the school spirit peaks around the choosing of a queen and her court and the football game. The Jr. & Sr. girls played their annual game while members of the football team made up the Mock Court with Troy Copeland "crowned" queen. The Tigers defeated West Liberty & crowned Melinda Horn queen. The activities ended with the dance on Saturday night with Z-man spinning all the popular songs

Exciting come-from-behind wins over Allen East, Ben Logan, West Liberty and New Bremen highlighted the Tigers second consecutive 7-3 season. Led by Heath Hennon, Bobby Grumbis and Bruce Haggard on the ground in the newly installed "wishbone" offense and Jeff Finney, Troy Copeland and Chris Westbay on defense the Tigers recorded a 5-3 mark in the WCOC losing to Indian Lake, Fairbanks, and Mechanicsburg. Bruce Haggard who returned a recovered fumble for a TD, and returned punts and kick-offs for touchdowns earned the Tiger Award while the outstanding defensive lineman was Jeff Finney and the outstanding offensive lineman was Kraig Buttenbarger. Dave Miller, Bruce Haggard, Dave Ewing, Jeff Finney, Troy Copeland, Tom Grumbis, and Kraig Buggenbarger all played their final game for the Blue & Gold in the 28-6 victory over Riverside.

VARSITY GIRLS BASKETBALL

Led by seniors Brenda Risner and Melinda Horn, the Lady Tigers finished an up and down 1985-86 season with a record of 8-14. Exciting wins over Wapakoneta, Lima Shawnee, and Mechanicsburg highlighted the season along with a berth in the Sectional finals at Kenton High School. Tough losses came at the hands of Riverside and Upper Scioto Valley. Co-Tiger Award winners Brenda Risner and Melinda Horn received Honorable Mention recognition in the WCOC while junior Amy Young was named to the Second Team All League. Amy Young also received the "Top Offensive Player" award while Brenda Risner was "Top Rebounder" and named to play in the East-West Senior Game. Members of the team are Row 1: Nan Carter, Carla Risner, Amy Kysenceder, Row 2: Coach Dill, Amy Young, Holly Buckmaster, Melinda Horn, Brenda Risner, Leigh Davis, Dena Linn, Coach Miller.

VARSITY BOYS BASKETBALL

The W-G Boys Varsity team was one that began the season with 19 individuals & ended the year with 16 "winners". The reason: They believed in what was being taught to them. Finishing the year at 13 wins and 9 losses with only 1 returning letterman back, shows that through hard work and DEFENSE you can win. Their defensive average of 47.8 pts a game & a 4th place finish in the Lima area's defensive statistics helped the Tigers to accomplish their 2nd winning season in a row after 16 years of not having a winning record. HIGHLIGHTS OF THE YEAR: defeating 12th ranked Class A team Hardin Northern; defeating 15th ranked Jackson center; defeating Lima Perry in Sectional Tournaments; & a perfect 10-0 record at home. Art Editor Scot Dudgeon works with Mirl King

Yearbook Staff activities start at the beginning of each school year. First we have to organize ad day & explain the "rules" of making this yearbook the best. Being on the staff isn't just selling ads. We appreciate all those who volunteer to sell — without them we couldn't afford to do all the extras. Work begins when we start the pages — after school hours, Saturdays, on vacation days, & even after school is out in June. We organize picture days & make sure all activities are photographed. Hours later, after being in the darkroom printing, we can finally start putting together the pages, literally from bits & pieces. Eventually it all comes together, the cover design, the art work, the copy & the pages are sent to the printing plant. Without our dedicated crew it wouldn't get done. I want to thank Scot Dudgeon as art editor for all of his hard work on the cover design & on all the artwork throughout the book, Lonnie Rumer for learning the darkroom & printing pictures. I want to also thank Rose Lane for her help as assistant director. Best of luck goes out to Rose as she edits next year's book. Last but not least I want to thank Miss Faote for all her help & guidance. A special thanks goes out to all of you who make this book possible. Our support was tremendous.

WG VARSITY VOLLEYBALL TEAM

Row 1: Coach Tebbe, Nan Carter, Laura Rolston, Dawn Byrd, Mgr
Row 2: Amy Young, Kelli Schultz, Carla Risner, Tonya Funk, Linda Brooks, Rose Lane

The 1985 Volleyball season, under Coach Tebbe, was one that proved the importance of pre-season and early season work. Because of a lack of players and a late start, the team played catch-up ball all season. The one victory of the season, over a good USV team, came in the last game of the season. The record for the year was a disappointing representation of a group of hard-working girls. This hard work, however, will show itself early next season as only 2 Seniors will be lost. The addition of the Junior High

program will also help next year

The Seniors this year were Nan Carter and Laura Rolston, who received the Tiger Award, WCOC Hon. Mention, Hustler Award, and the leading server award. Other award winners were Rose Lane, leading setter and most improved; Amy Young, captain, leading spiker, leading passer, and WCOC Hon. Mention.

With the strength of 6 returning lettermen, next year will prove to be the year for WG in volleyball

VISITING ARTIST TEACHES FOLK DANCING

On April 14 Jim Ramsey from Berea, Kentucky began his two week residency at Waynesfield. His program was designed for students in K-6 with his focus on the third grade. Each class met with Mr. Ramsey twice during his stay with the third grade having the opportunity to meet with him every day. The students became very acquainted with various types of folk songs and dances. On May 8 Mr. Ramsey returned to Waynesfield with two musicians to accompany the students in two performances for parents and grandparents. The students performed the various dances they had learned and eventually had members of the audience participate with them. It was a performance filled with song and dance.

CROSS COUNTRY RUNNERS

Late summer found a group of young men running the roads around town. After 4 years of not competing, these runners were hard at work under the coaching of Mr. Riggs. Conditioning consisted of warmups and running, then running some more - — up to 5 miles a day during training. The team competed in 10 meets mostly on out of town courses which is a disadvantage to any team. However, over the season everyone improved on their running times over the 3.2 mile course. Even though scoring is a team effort the sport is an individual effort of driving oneself and running against the clock. In the District meet Jeff Bodell finished 22nd and also received the Tiger Award. All but 1 return for next season. Members of the team included Dan Wireman, Lonnie Rumer, Dana Neeley, Justin Debord, Dan Shobe, Steve Golliday, Darin Morris, Jeff Bodell, Steve Rice, Jeff Ingle

TIGER BASEBALL TEAM

The 1986 Baseball season will be remembered as a Championship season. With a 11-1 victory over top seeded Upper Scioto Valley the Tigers claimed its 3rd only Sectional title. With strong senior leadership headed by Capt. Bruce Haggard, 1st team WCOC shortstop & Tiger Award winner, WG finished with a 9-7 record. The Tigers finished 4th in the WCOC with a 4-3 record & was knocked out of District Tournaments by the top ranked team in Northwest Ohio, Parkway 3-1. Junior Heath Hennon, Pitcher of the Year Award winner, led a solid pitching staff with a 4-2 record & was also credited with 2 saves. Senior Larry Gross, Defensive Player of the Year Award winner, led a defensive unit which committed only 32 errors on the year. Srs. B. Haggard, L. Gross, B. Case, Hefner & R. Cox will be deeply missed. However, these young men are responsible for helping turn the baseball program in the right direction. The future is bright for Tiger baseball. Members of the team are: Row 1, B. Case, B. Haggard, L. Gross, S. Hefner, R. Cox. Row 2, Golliday, J. Weeks, M. King, K. Price, A. Young, G. Kirkendall. Row 3, D. Ewing, L. Gross, S. Miller, B. When we remember back, we saw many anxious students begin the start of another school year. This day marked the beginning of hard work, good times, & times of struggles that were yet to come. Fall marked the coming of a successful football season, a challenging volleyball schedule & the reinstatement of Cross country at WGH. Homecoming was even more memorable as our Tigers were victorious on this special day. Z Man provided the music for a "Cherished" night. The winter sports season brought more excitement as we entered another winning boys basketball season. The girls basketball team had an up & down season. The Jr. Hi program was a learning & building experience. The arrival of Spring always brings a rush of extra activities. The end of the school year is right around the corner. The baseball team brought home the Regional Championship & the boys track team had to settle for 2nd in the WCOC. The music department gave its production of "Lil Abner" with an all star cast. The Juniors began serious planning for Prom, "These Dreams". The traditional Spring Concert was the last time the Seniors got to perform & the 1st time for the elementary bands. Then it was here — the end of the year. Cramming for exams was on everyone's minds. Also making itself felt was GRADUATION — that big day every Senior looks forward to. June 1st saw a crowded gym as 43 WG Seniors received their diplomas. Yes, we all can look back to the great & not so great times we have spent roaming through the halls of WG but we will always treasure our memories of classmates & friends.
